SSAT PRACTICE TEST PRACTICE MAKES PERFECT

Our unique Interactive Practice Test turns theory into practice and encourages students to utilize their whole toolbox of strategies while taking a full-length practice SSAT Test. Each section of the SSAT test will be preceded by a discussion and review of strategies, which will be reinforced during the test. Discover your strengths and weaknesses and learn how to handle multiple hours of testing at a stretch. Each test will be scored based on the SSAT official guidelines. Students will receive a comprehensive answer packet that includes an in-depth analysis of correct and incorrect answers, a math answer review packet, and comments on their essay. These materials will serve as an invaluable study guide for further test-prep.

2 SSAT Practice Tests

Test 1 Sunday, Sept 30, 9am - 1pm

Test 2 Sunday, Oct 28, 9am - 1pm

Students with accommodations 9am-2pm

SSAT GIRL POWER!™ GRADES 5-7 MATH, STUDY SKILLS, AND WRITING

C'mon, girls! It's time to stop reading about superheroes and actually become one. This enrichment class prepares 5th-7th graders for a year of success, confidence, motivation, and power. Through hands-on exercises, students will embrace their inner superpowers to build a super-dynamic toolbox of organizational, study, math and writing skills. Students will sharpen their skills, develop tools and strategies introduced in the course, and create their own Superhero Student Handbook that will act as a tool kit in school and at home. Students will work on in-class exercises as well on current school assignments to strengthen their academic Girl Power!

Sessions: 8

Date: Wednesdays / Oct 10 - Dec 12

Time: 4pm - 6pm

Fee: \$675 (incl. all materials)
